

Application for advice and assistance

Equality card

- i* **Solicitor's information**
You should ask the applicant to read this card.

The applicant will provide you with the answer code to be completed at Section H on the children's advice and assistance application form.

Equality information to be completed by you, the applicant

The Scottish Legal Aid Board has to collect information to monitor equality of access of people applying for and/or receiving services paid for from the public funds we administer.

For example, we have a duty under the Race Relations (Amendment) Act 2000 to have due regard, in carrying out our functions, to the need to eliminate unlawful discrimination and promote equality of opportunity and good race relations.

You should read the questions below and tell your solicitor your answers.

Completion of this section is voluntary.

The information you give in your answers will **NOT** be used to decide if you qualify for legal assistance.
