# Reg 15 - Special Urgency for Criminal Appeals

## Data capture form

Reg 15 D-C

This is not a mandate form. There are no declarations and you do not need to sign it or keep a copy. This has been produced so that you can record the information you intend to provide in the online application before completing it online (or passing it to someone else in your firm to complete online on your behalf.)

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                               |
