Scottish Legal Aid Board Trade Union Facility Time Report
1 April 2017 - 31 March 2018

Trade Unions play an important role in the modern workplace and there are considerable benefits to both employers and employees when organisations and unions work well together. The Scottish Legal Aid Board is committed to working in partnership with our recognised trade union. This commitment is demonstrated through our bargaining framework and is supported by an ongoing recognition agreement.

The Trade Union (Facility Time Publication Requirements) Regulations 2017 came into effect on the 1st April 2017. These regulations place a legislative requirement on relevant public sector employers to collate and publish, on an annual basis, a range of data on the amount and cost of facility time within their organisation. The purpose of these regulations is to promote transparency and allow for public scrutiny of facility time.

The range of data required is detailed below:
